### Dakota 2000 Achievement

This past year, we chartered a Native American organization to better serve Indian Country. This organization name is called, Native American ADDvantage (NAAD).

## Dakota 2000, NAAD, & Sprint *One Seamless Solution...*

Dakota 2000, Inc. and the NAAD organization have a special partnership agreement with Sprint/Nextel, Nortel, and Cisco that allows us to provide outstanding products and services. By working with Dakota 2000 you will gain a trusted friend that understands Native American issues and will always have the interest of your project focused for delivery.

Our relationship provides our clients with premier quality services at a cost-effective price. From providing state of the art wireless communications nationwide to the most remote areas in the country to on-going IT enterprise support and remote systems management, service offerings are both broad and deep in capability. Our unique management and service model allows us to engage dynamic resources to better serve your technology goals. Our vendor partners create a responsive service delivery approach that will help lower our operation costs while increasing the quality of our service - a direct value to you.

We are ready to take on your Technology Projects and count on your business as one of our many satisfied clients.

Contact us today for your ***One Seamless Solution*** needs @ **(800) 747-6427.**

### About NAAD

Native American ADDvantage (NAAD) is a diversified professional services organization committed to providing customers with a comprehensive business and technology services. The services and solutions we offer are designed to improve the competitiveness and operating efficiency of commercial and government customers.

### NAAD Mission

To improve economic development on Indian lands by working with Tribes and other Native American-owned businesses. Negotiate technology contracts and deliver solutions on behalf of its members with protection and promotion of Indian Sovereignty.
